- **Double insulated cables**, for maximum transfer of Power.
- **Illuminated Voltmeter**, for checking Power Pack voltage, and Vehicle Alternator output.

Specification

Product	PRO1600/800
Part No	25001006
Voltage	12/24v
Cranking Amps	1600/800
Peak Amps	4500/2250
Cable Length	1.35m
Cable Size	35mm ²
Clamps	850A
AC/DC Charger Output	4A
12v accessory Output	16A
Reverse Polarity Protection	Yes
Internal Battery fuse protection	Yes
Battery Warranty	2 Years
Casing Warranty	Lifetime
Weight	20.5kg
Shipping Weight	24.5kg

Part No	Product	Description
25090094	PRO Trolley	Heavy duty mobile trolley
